

Coco Wood Lakes Service & Pricing Guide

Dear Coco Wood Lakes Residents,

At Blue Stream Fiber, we pride ourselves on our legacy of over 45 years of great customer service and our deep experience building the latest fiber optic networks.

We have worked hand-in-hand with your Board of Directors to provide your community with a new state-of-the-art fiber-optic network with industry-leading products, substantially better reliability, and world-class customer service.

We know the role our services play in your day to day and we look forward to connecting you to what matters most.

On behalf of Blue Stream Fiber, I would like to take this opportunity to formally welcome you as a new Blue Stream Fiber customer. Thank you for entrusting us with your TV, Internet, and Phone needs. Stay tuned for additional information to be shared throughout the coming months.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Canavan".

Joe Canavan
Chief Executive Officer

Service guided by our mission:

We are dedicated to providing our customers and neighbors with reliable communications and entertainment services that enrich their lives. All through the most trusted products and customer experience, from a team that cares.

Coco Wood Lakes Service Package Includes

INTERNET SERVICE

- Fiber network for blazing-fast symmetrical internet
- Up to 400 Mbps Download
- Up to 400 Mbps Upload
- ONT (Fiber Modem) that brings fiber-optic internet into your home
- (2) WiFi Pods
- HomePass WiFi App which allows you to control your home network from the palm of your hand

The above Internet service is included as part of your association dues. Should you wish to add any additional services like even faster Internet, TV, or premium home phone service, we can accommodate those requests at our sign up events and during the sign up period.

Educational Resources

Explore the Resources to Help You Get the Most Out of Your Future Services

As we gear up to bring you a world of entertainment and seamless connectivity, we wanted to highlight the various resources available to help you make the most of your new services.

If additional support is needed beyond these comprehensive resources, an additional one-hour in-home training is available with a tech education specialist during the installation phase through two weeks after your community live date.

Our main goal is to ensure a smooth and enjoyable transition to our services. With these resources at your fingertips, you'll be able to confidently explore all the fantastic features of your Internet and TV services in no time.

Thank you for choosing us as your service provider. We look forward to delivering an exceptional experience and connecting you to a world of entertainment.

WELCOME GUIDE BOOKLET OR CARD:

During the installation, our technician will walk you through our comprehensive Welcome Guide. This guide contains all the essential information you need to get started and will be left behind with you for future reference.

PERSONAL IN-HOME TRAINING:

Our installation team is not only there to set up your services but also to provide you with personal in-home training. They'll ensure that you understand how to navigate through the features and functionalities of your new Internet and TV services and that your devices are connected and ready to go.

ON-SITE GROUP TRAINING SESSIONS:

Apart from individual training, we also offer on-site group training sessions for our valued customers. These sessions provide an opportunity to interact with other customers and share knowledge about making the most of our services. Be on the lookout for communications highlighting dates and times for these.

ONLINE LEARNING RESOURCE HUB:

Our online learning resource hub shares a wealth of knowledge tailored to various learning styles. Whether you prefer written guides, infographics, or interactive tutorials, you'll find it all in one convenient location under bluestreamfiber.com/learning.

INSTRUCTIONAL VIDEOS:

We understand that visual instructions can be incredibly helpful. That's why we have created step-by-step instructional videos to guide you through mastering the new services and features included in your subscription. Find these under bluestreamfiber.com/learning.

FAQs

Seasonal Residents

I am a seasonal resident and will not be back before you finish your installations. What should I do when I am ready to return?

Seasonal residents can be installed when they return. Simply call your Blue Stream Fiber Community number 561-264-2880 seven days prior to your arrival.

I am a seasonal customer. Do you have seasonal rates to put my optional phone service on hold at a reduced rate?

We do offer seasonal service rates for additional services added above your HOA included services. For phone, the seasonal rate is \$6/month plus taxes and fees. Seasonal residents are able to put services on hold once a year for 2 - 9 months.

Installation Experience

What will you be doing during my install?

Our technicians will install your services and any additional services you requested. On average, the installation will take anywhere from 3-4 hours per home to complete. This will include the set-up of your wireless devices as well as the programming of your remote controls. Moreover, we will provide an in-home training experience on how to use your new equipment and services.

Where will your equipment be located in my home?

The Blue Stream Fiber Wireless ONT will be located at a central location in your home and/or where your previous modem/router was located. Set-Top boxes will be placed in the same location where your televisions are located.

Products & Services

How do I access the Blue Stream Fiber TV App?

In order to get started, please have your Watch TV Everywhere credentials. For a step-by-step on how to download and log in, please visit bluestreamfiber.com/bluestreamtv.

What in home visits are covered by Blue Stream Fiber in our association's package?

Blue Stream Fiber will be responsible for in-home visits to repair faulty equipment or wiring owned and maintained by Blue Stream Fiber. An example of this would be if you experienced service issues related to a faulty piece of

equipment like an ONT (Fiber Modem) or Set-Top Box. In this case, Blue Stream Fiber would come to your home and replace the equipment free of charge. Another example of this would be if you experienced service issues related to faulty internal wiring in your home. In a similar way, there would be no charge to replace or repair that faulty Blue Stream Fiber wiring. For service requests or needs outside of the above, there is a \$99 fee per home visit.

Can I add other services from Blue Stream Fiber?

Yes, you can add additional services at any time by calling your dedicated community number 561-264-2880. Charges will be billed directly from Blue Stream Fiber for any additional services outside your Association's agreement. Please be advised that charges will start the same day the services are activated. When you add on additional services, please note additional fees and taxes will apply. For more information, please visit bluestreamfiber.com/taxes-fees.

What do I get with Blue Stream Fiber Phone Services?

Unlimited local and long distance calling to the United States and Canada, Voicemail, Call Waiting, 3-Way Calling and 29 calling features. Blue Stream Fiber also has great international rates.

What do I need to do if I want to sign up for home phone service?

If you choose to sign up for home phone service and wish to transfer (port) your home phone number to Blue Stream Fiber, please have your phone bill and your account Pin number handy during your sign-up appointment. In addition, please do not cancel your phone service with your current carrier. It will be cancelled automatically.

What do your upgraded packages cover when it comes to in-home visits?

All home visits related to customer education, accidental damage of equipment and wiring and even changes of service are covered. Examples include assistance to connect a new wireless device like a laptop or printer to your home WiFi network or to pair your remote with a new TV. We will even cover accidental damage to internal wiring and equipment free of charge. No charge for the visit or the replacement of wires and/or equipment. It's simple, worry-free coverage.

FAQs

Educational Resources

Where can I access resources on my recently installed services?

For a variety of how-to-guides and videos on our services, please visit bluestreamfiber.com/welcome.

Miscellaneous

What do I do with the equipment from my former provider?

Each provider has their own process for returning their equipment. We encourage you to contact customer service for your previous provider to learn how to return their equipment.

How do I avoid paying the \$7.49 paper bill fee?

If you have added any upgraded services above what is included in your community agreement, you can avoid paying the fee by signing up for E-bill.

How do I sign up for E-bill or autopay?

If you have added any upgraded services above what is included in your community agreement, you can sign up for E-bill or auto pay by visiting bluestreamfiber.com and clicking on Account in the top right corner of your screen. Select Bill Pay, then “residential customers” from the drop-down menu. You will then be taken to the Blue Stream Fiber Billing Website. On the right side of the screen, enter your Account Number and Zip Code then click Register.

What can I expect on my first bill?

Your first bill for any upgraded services will cover the cost of your first month. Please note that due to us following a standard bill-in-advance schedule, you will receive a second bill soon for your following month’s services. This is normal. You’ll then fall into a regular monthly cadence for future bills.
